Default address eliminates typing in the address field for every customer.

Used in small communities where customers do not have their own postal code.

Customer Types:

1. Residential
2. Business / Commercial
3. Government
4. Other

Each customer type can have a different rate per kWh assigned.

Payment Details Entry Screen

A screenshot of a Windows-style dialog box titled "Payment Details". The dialog has a blue title bar with a close button (X) in the top right corner. Inside the dialog, there are two input fields: "Payment Date:" with a dropdown menu showing "12/12/2000" and "Amount:" with a text box containing "\$150.00". To the right of these fields are two buttons: "Cancel" and "OK". A mouse cursor is pointing at the top of the dialog box.

Payment Receipt Preview Screen

A screenshot of a payment receipt preview screen. The receipt is titled "Pike Lake Power Authority Receipt" and is centered on the page. Below the title, there are two columns of text. The left column contains the recipient's name and address: "TO: Alec Albert" and "Pike Lake, Ontario P0V4E1". The right column contains the date and identification numbers: "Printed: Mar 06, 2001", "Customer Id: 000015", and "Payment Id: 000057". At the bottom of the receipt, there is a line of text: "Received payment of \$150.00 on December 12, 2000." The entire receipt is enclosed in a rectangular frame with a vertical scrollbar on the right side.
